

INTRA-UNIVERSITY TRANSFER (IUT) OR DUAL DEGREE (DD) **Decker School of Nursing**

WELCOME

We welcome your application for internal transfer/dual degree to the Decker School of Nursing, and encourage you to obtain more information and academic advising before you complete the application.

APPLICATION PROCESS

Requests for IUT and DD admission must be received in the Office of Undergraduate Admissions (Academic Building A) by:

- November 15 for Spring admission
- March 15 for Fall admission

Decision letters are sent to the student's current mailing address when school is in session and to the student's permanent address during vacations/breaks.

Students must notify the Office of Undergraduate Admissions in writing if they do not wish to accept the offer of admission.

Late applications will be considered on a space available basis.

Admission decisions are usually made after semester grades are available.

Return your completed application form to the Office of Undergraduate Admissions, Academic Building A.

ADMISSION REQUIREMENTS

Admission is selective. A 3.0 cumulative grade point average is usually required. However, given the competition for spaces, achieving the minimum is not a guarantee of admission.

Students should have a strong record in all high school and college courses, especially in the sciences and other prerequisite courses.

PRE-REQUISITE COURSES

- One College level composition course
- One composition course in any discipline
- One course in descriptive statistics
- Human Anatomy and Physiology I
- Human Anatomy and Physiology II
- One introductory biology course
- One course in microbiology
- One introductory psychology course
- One developmental psychology course
- Two chemistry courses including inorganic, organic and biochemistry
